## QUILT GUILD INC.

May 2016

www.aqq.org.nz  
www.facebook.com/AkQuiltGuild

Hi to all you all and a very warm welcome to new members.

This will be my last contribution as President to our newsletter and I'd like to thank you all for the kindness and help given during my tenure. No contribution is too small, I especially loved receiving the jokes.

The Guild is fortunate to have two hardworking committees whose members made my job a much easier one. The main committee who oversee the running of the Auckland Quilt Guild and those in the Festival of Quilts subcommittee who organize our very successful Festival of Quilts. A huge commitment. The festival is our main source of income supplementing the membership fees so we are able to enjoy not only the hall for meetings, the hireage of which has escalated, but also the newsletter. Subsidised classes with both overseas and New Zealand tutors allowing us to enjoy learning new skills. So please enter the Guild challenges and your work in the various categories of the Festival of Quilts each year. Encourage your friends young and not so young to join the Guild and to visit the show and exhibitions.

Over 20 quilts were handed in for the Dorothy Collard exhibition opening later in the month all different as usual and fitting the brief and theme "Freedom". I have to admit to a certain panic when nothing seemed to work for me and I nearly gave up. However during the week prior to hand-in I gave myself a stern talking to and made a start. Isn't it always about starting! Please come to the opening and support your fellow quilters. Details are on the Challenge page of the newsletter.

Last Saturday I accompanied Judi Schon, in her role of Convenor of the 2019 Auckland Symposium, to chat with the Whangarei quilters about how they would like to be included in the organizing of this occasion, to take on a portfolio, or part of one, and to explain the boundaries of the Auckland Province in relation to the Auckland Quilt Guild and that it's not about the "Jaffa's" as we are often called by those who don't know us, but wanting and expecting all quilters within our area to be partners and to make it an exciting and modern Symposium. Judi will be undertaking more road trips throughout our area to spread the same message.

Happy play

## Speaker for May

Claire Delaney is an artistic story teller, who is passionate about the creative process.

After graduating with a B.A Hons degree in Textiles and Fashion from St John Moore's University Liverpool, she set up her own Art practice exhibiting throughout the U.K and Europe with her mixed media embroidering's and paintings, whilst continually teaching in the community.

Travelling further afield collecting more inspiration and life lessons she eventually settled in New

Zealand to raise her most wonderful creations! (Her three daughters!).

Enjoying this artistic lifestyle and teaching many classes from her Riverhead "Time for art studio" and various other art centres, Claire inspires all ages to find their own creative voice. Having many group and solo exhibitions throughout New Zealand keeps her busy.... Drawing, painting and printing!

Recently she has fulfilled her lifelong dream of writing, illustrating, and printing her own children's book called "Little Wing" Combining her love of preserving traditional methods, the whole book has been printed by old fashioned printing methods.

## “Bordering on the Comical”

proved to be a fun busy weekend workshop. Look at our completed and almost completed quilt tops:

We were joined by our guest, Ryoko Takahashi, a quilt teacher from Japan, who is in NZ, for an English Language Course. Ryoko produced the frog quilt (note the typical Japanese muted tones.) She was amazed at the pace we kiwis worked at - she was given the hurry along and kept up with us. She was delighted with her quilt top and hopes to have it finished for her first grandchild due to be born in December.

Congratulations and well done to all the participants – you’re awesome!!

# Challenges

## 2016 Dorothy Collard Memorial Challenge.

Hand-in Day was the April meeting. I'm very pleased to report that we received 23 entries. Thank you so much to those people who put in an entry.

This is such a prestige platform for our Guild. The entries are so varied and they manage to convey to the general public, as well as our fellow quilters, just how diverse and successful our members are.

I have been in touch with our Judge and she is looking forward to seeing and judging our entries, and also speaking at the Opening/Awards Evening.

The quilts will be displayed at Lake House Arts Gallery in Takapuna from 27th April to 15th May. FREE entry.

I do suggest that you consider coming along to **Lake House** to the **Opening on Tuesday 26th April** at 7pm, even if you didn't put in an entry – you get a preview of all the beautiful quilts, with drinks and nibbles, and you also get to hear the judge say a few words about her thoughts on the display and judging. It would be lovely to see you there. Maybe bring a carful of people from your group.

At Lake House there will be a box for viewers to vote for their favourite Dorothy Collard Challenge quilt. At the June Guild meeting, a Dorothy Collard Viewers' Choice prize will be presented to the maker of the quilt that received most votes.

Then, of course, in November the quilts will be displayed at Festival of Quilts in the Challenges section.

## 12" x 12" Mid-year Challenge

Last month I revealed that the Mid-year Challenge theme is... **"CARNIVAL"**.

This, of course, lends itself to Mardi-Gras, Festival, Fair, Fiesta, Circus, Gala and all sorts of things like that. This is a fun challenge, and small, so it should be achievable by everyone. Maybe you could put in more than one entry? We hope to see lots and lots of entries so do consider entering into the fun of it.

Hand-in Day for the Mid-year Challenge is the **JULY** meeting. At that meeting I will ask some new members/visitors to choose their favourites and there will be some small prizes.

These small quilts will also be displayed on the fluffy, grey boards at Festival of Quilts in November so HOOK Velcro is needed on the back, please, even if only the top corners.

At Festival of Quilts, there will be a box for viewers to vote for their favourite Mid-Year Challenge. After the show, at the December meeting, a Mid-year Challenge Viewers' Choice prize will be presented to the maker of the quilt that received most votes.

Happy Quilting, **Val**

**Bays Patchwork Group**

# Community Quilts

Hello everyone

I am in the land of the Rising Sun again at the same time as last year.

Luckily I was met by my younger brother and his wife and we drove along to see the cherry blossom at dusk. It is almost the same temperature as Auckland.

I thought that I would have missed seeing the Cherry Blossom but I'm glad that it is still in full bloom as Japan is the most beautiful place to be in at this time of the year. I don't need to go anywhere special to see them. It is all over everywhere.

We couldn't arrange any quilt donations last month, except one for 11 year old Millie, whose mum is a caregiver for babies and young children. Her mum asked us if she could buy a quilt for her daughter as she had received some quilts for her foster children. We decided to donate a quilt to Millie. Thanks to Pauline Peters for forwarding this message from our web site - shows that the website is working!.

We will be organizing a weekend of sewing for Community Quilts to make the 'quilt as you go' pattern as we did at FoQ. The dates will be 2 and 3 July 2016. We will provide everything except sewing machines and sewing equipment. We will prepare all the fabrics and wadding so that we can start sewing from day one. We need our members to come along to Onehunga Community House with your sewing machine. We hope to advise you the dates and details in the June Newsletter. Please get in touch with Gaye (Education officer) email: [gaye.teague@gmail.com](mailto:gaye.teague@gmail.com) if you're interested in joining us. Idea suggested by Ellen Butland.

We will be presenting 30 to 35 quilts to one of the Womens & Childrens organizations in South of Auckland at the May meeting.

And ladies, please take some quilts to be quilted as we have so many tops needed to be quilted again. Well 'Sayonara' from Japan as we are planning to go and see more cherry blossom nearby. It's so nice to be with my family here. Love to you all,

**from Chiz and Community Quilts Team**
