Re: Donation of Quilts to Shine

Thank you all so much for the exquisite quilts we received on Saturday at your meeting. They are just beautiful and I am amazed at the work and effort that everyone has put in to all of these. The colours and patterns are beautiful and everyone who has seen them has stopped and remarked how lucky we are to have them.

The people who have contributed to these have obviously have done so with love and care and our clients will be thrilled to receive one. The children's quilts are so cute and I know each one will become a very precious gift to the receiver and will certainly light up their day. The great thing is that they can be used with either side of the quilt, this makes each one so versatile.

These gifts are extra special as they have been handmade with thought and care, which truly makes them a "forever gift".

Thank you everyone for your time, effort and energy in putting all of these together for us. Without people and organisations like yours, Shine would not be able to achieve what we do.

I would like to take this opportunity to wish you a very happy Christmas and a safe holiday.

Kindest regards

..... This 91 year old abuse victim was thrilled to  
..... receive this. She assumed she would have to pay for it  
as the quality was so high, and was amazed it was a gift.  
It really made her day.

This mother of 2 year old twins didn't say anything.  
She just covered her face with her hands and sobbed,  
overwhelmed by the generosity.

This client is very shy and does not say much, but her eyes filled with tears when she saw this as her home is without anything pretty at all.
