

Our Library

When visiting the library, you'll find several of our helpful library volunteers. Please feel free to approach them for assistance. We house a great range of books, magazines, DVDs and templates across a wide variety of subjects. We aim to cater for all ages, skill levels and interests.

We have new items arriving every month, keep an eye out for them on our Hot Picks stand and welcome your advice and feedback on our book selection.

We have an electronic library system, designed to provide you with a fast and friendly library experience. Please have your library card handy when checking out books. You can also register an email address to receive automatic courtesy reminders, overdue notices and renewal notices, normally sent one week prior to Guild Meeting days. In the library we also have a photocopier available for a small fee.

We welcome all members to volunteer in the library on meeting days - it's a rewarding experience and opportunity to help develop our Guild.

Following is a summary of our library rules. Please respect them as we have them in place to provide the best experience for you and your fellow members.
