Re: Donation of Quilts to Shine

Thank you all so much for the exquisite quilts we received on Saturday at your meeting. They are just beautiful and I am amazed at the work and effort that everyone has put in to all of these. The colours and patterns are beautiful and everyone who has seen them has stopped and remarked how lucky we are to have them.

The people who have contributed to these have obviously have done so with love and care and our clients will be thrilled to receive one. The children's quilts are so cute and I know each one will become a very precious gift to the receiver and will certainly light up their day. The great thing is that they can be used with either side of the quilt, this makes each one so versatile.

These gifts are extra special as they have been handmade with thought and care, which truly makes them a "forever gift".

Thank you everyone for your time, effort and energy in putting all of these together for us. Without people and organisations like yours, Shine would not be able to achieve what we do.

I would like to take this opportunity to wish you a very happy Christmas and a safe holiday.

Kindest regards

Jane Drumm
Executive Director

The lady who was given your quilt came to see one of the advocates and I talked to her while she was waiting. She is heavily pregnant and due the week of Christmas. Her baby is a boy and she has five girls! She has nothing for a boy and was delighted to receive your quilt. She looked at the stitching on the back and loved the combination of Maori and Pacific

designs. She loves the colours. She loved your quilt and was glowing with pleasure and happiness at receiving such an unexpected and beautiful quilt - at what is clearly quite a difficult time for her.

Thank you for this special gift.
